

PRODUCTION CERTIFICATE

Number: CASA.PC1P.0027 Revision: Initial

In accordance with regulations 11.056 and 21.134 of the *Civil Aviation Safety Regulations 1998 (CASR)*,
this certificate authorises:

AVCRO PTY LTD

ARN: 1015327 ACN: 609 336 414

to manufacture, for regulation 21.133(2B) of CASR, Class II and Class III aeronautical products on a one-off basis at the manufacturing facility specified in the Schedule:

This certificate commences on 03 August 2026 and repeals any previous revisions.

CASA approves the Quality System and Production Inspection System (PIS), methods and procedures provided in AVCRO PTY LTD, AVCRO Pty Ltd, Production Certificate Quality Manual AVCRO Pty Ltd, Production Certificate Quality Manual, Issue 1.0, dated 01 July 2026.

Note 1: This approval, for regulation 21.143 of CASR, is of the certificate holder's inspection and test procedures. The certificate holder will need to apply for an approval if it seeks to change its PIS.

This certificate is subject to the following conditions:

1. Manufacturing is restricted to the scope and limitations listed on the associated Production Limitation Record in the schedule.
2. Parts, appliances or services furnished by any suppliers located in a foreign country may not be used in the production of any product unless:
 - a. that part or services can and will be completely inspected for conformity to the approved design data at the authorised manufacturer's Australian facility; and
 - b. CASA has determined that the supplier's location places no undue burden upon CASA in administering the applicable airworthiness requirements; or
 - c. the parts or services furnished by the foreign supplier are produced and approved for import to Australia in accordance with regulation 21.502 of CASR.
3. Under this certificate you cannot:
 - a. Manufacture products using "Additive Manufacturing" (3D Printing).

b. Manufacture using International Traffic in Arms Regulations (ITAR) controlled parts.

c. Manufacture using Export Administration Regulations (EAR) controlled parts.

Note 2: This Production Certificate ceases to be in force in accordance with paragraph 21.159 (1) (a) of CASR if the location of the manufacturing facility changes.
